Nonsensical Notions About Education.

The speakers at educational conventions, and writers on education, in many cases seem to have lost their wits in these latter days. The idea of having children taught their lessons in good honest fashion is one which these gentlemen seem to have lost sight of altogether. What they demand is, that the "essential manhood" of the boy and the "ideal womanhood" of the girl shall be developed. Yea, the teachers are to "east aside their humdrum lessons and search out the infinite capacities for good or evil in the child, and stimulate the and exterminate the other.

And, above all, that is to become of the poor child that has to suffer such an infinite ransacking? It would be a miracle if the poor little creatures had any capacity left at all after a few nonths of such treatment.

And then as to the "essential manhood" of the boy and the "ideal womanhood" of the girl that are to be developed, how is a teacher to find out and lay hold of

Winners of THREE HIGHEST MEDALS AND DIPLOMA OF HONOR at VIENNA, 1873, PARIS 1865,
and in AMERICA ALWAYS. Declared by MUSICIANS GENERALLY to be UNRIVALED and INCOMPARABLE. Sold at fixed uniform prices to all,
which are printed and invariable.
PURCHASERS OF ORGANS ARE REMINDED that the temptation to Dealers and Peddiers is very strong to deal in and recommend as best
the organs of those makers who will pay them
the largest commissions or discounts for
selling. The MASON & HAMLIN ORGAN CO., printing as they do their lowest prices, can afford to dealers only the smallest commissions. This plan secures to every purchaser the lowest price, because the dealer cannot six more than the Catalogue belle. It gives to middle age the bloom of perpetual youth. Add these effects to a splendid head of hair produced by the Kathairon, and a lady has done her The MASON & HAMLIN ORGAN CO. are

Dr. J. Walker's Caiffornia , in egar Bitters are a purely Vegetable preparation, made chiefly from the naive herbs found on the lower ranges of the Sierra Nevada mountains of Calife nia, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost-daily asked, "What is the cause of the anparalleled success of VINEGAR BIT-TERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the istory of the world has a medicine been mpounded possessing the remarkable salities of VINEGAR HITTERS in healing the ck of every disease man is herr to. They re a gentle Purgative as well as a Tonic, elieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious

The properties of Dr. Walker's INEGAR BITTERS are Aperient, Diaphoretic, rminative, Nutritious, Laxative, Diuretie, edative, Counter-Irritant, Sudorific, Alteraive. and Anti-Bilious.
